

WELCOME TO LEIGHTON UNITED FC

How to get to our Facility:

LUFC is located at **105 Stanbridge Road, Tilsworth, Leighton Buzzard, LU7 9PL, United Kingdom.**

We are just off the A5 Watling Street and the map of our location can be found at [GoogleMaps](#)

LUFC can be reached via the A5 or via Leighton Buzzard using several routes. As you travel along Tilsworth Road / Stanbridge Road look out for a set of black gates opposite Stanbridge and Tilsworth Community Hall and Recreation Fields.

On match days site access is normally available from 08:30am – however your host coach will provide details for arrival and start times for your respective match.

Follow the drive way around the senior pitches observing a strict **5mph Speed Limit** – we accept no responsibility for any damage caused by excessively fast driving while on our site. Please stick to the driveway and do not drive over the grass.

Parking at the Facility:

Parking onsite is limited – especially on match days – so please consider sharing transport if possible. Please **DO NOT PARK** behind the clubhouse near the shipping containers as this is reserved for club officials, coaches and access for emergency services. Also **DO NOT PARK** in the community centre car park opposite our grounds as it is a private facility and try to avoid parking along Stanbridge Road as we are mindful of local residents and seek to prevent causing accidents / road blockages. Local residents often call the police.

Pitch Information:

5v5 and 11v11 matches will be played on pitches 1 and 2 in front of the club house, and, 7v7 and 9v9 matches will be played on pitches 3, 4 and 5 behind the clubhouse. Occasionally we will change pitch allocations so please check with your host coach for updated information.

Clubhouse Facilities:

Our Clubhouse has male, female and disabled toilets as well as four team changing rooms and a changing room for officials. We have an indoor seating area providing protection out of any incremental weather.
